Subject: Notice of File Closure, Star Stone Quarries, Inc., Horse Creek Quarry,
S/049/034, Task ID# 1729, Utah County, Utah

Dear Mr. Thomas:

The Horse Creek Quarry small mining permit, file number S/049/034, located in Utah County, Utah, will now be closed and the file retired. The BLM closed their file on this project on November 21, 2006

On June 7, 2006, a site inspection was performed and it was determined that the site had not been disturbed, or that reclamation was satisfactory

The Division hereby releases you from further reclamation responsibility at this site. If you wish to conduct any future mining related activity in this area, you will need to submit a new notice and surety for approval prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5258 or Lynn Kunzler at (801) 538-5310. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,
